

Dear Band Students and Boosters,

I would like to congratulate all of you for being part of the American Fork High School Band program for 2010. You are part of the most famous high school band ever in the state of Utah. The AFHS bands have been recognized as the top bands in the state of Utah for many years and one of the top band programs in the western region for Marching Band, Concert and Jazz bands and for overall superior musicianship.

I challenge each one of you to become the best musicians that you can become. Work hard each day and focus with each and every practice and great rewards and recognition will be yours both as a band and as individuals.

I appreciate the leadership of Mr. John Miller and the other staff members and the countless hours that they devote to the success of you and the AFHS band programs. The countless hours that you as parents spend with the booster organization are unparalleled in any program and truly help make this a great, great program.

Sincerely,

Carolyn Merrill
Principal, AFHS
